

# LEADERSHIP SUMMIT

THE RADIOLOGY  
EDUCATION  
FOUNDATION

LIMITED  
70 SEATS  
ONLY

Becoming a good clinical radiologist is only the first step to becoming an impactful and successful radiologist. Being a leader includes being a good doctor, an able administrator, a friendly team mate, a charismatic boss, an inspiring entrepreneur, someone with passions beyond radiology, and a visionary who can look into the future.

Join us for a one-day Leadership Summit exploring the vision, strategy, and skills required to shape a good leader.

**SAT - 21 JUNE 2025**

Time - 09:00AM - 06:00PM
